### **2018 BOX LUNCHESES**

Star of Saugatuck offers the opportunity to purchase a box lunch for your group with prior reservations. The catering services whom provide this service for us is Catering Concepts out of Holland, MI, (Monday through Saturday only), and Shanahan Catering (formerly from Mermaid's) from Douglas, MI (seven days a week). They both will provide delightful food that your group is sure to enjoy. Our local Subway can provide a box lunch as well (seven days a week with one week's notice).

Prices quoted are for groups of 20 or more paying passengers. The price includes ride, meal, beverage, and tax. There is a complimentary ride/meal provided for one driver and one escort per coach, which is nontransferable, with groups of 20 or more paying passengers.

Box lunches should be ordered as soon as possible after booking your group's cruise. Final head count must be received by **10:00 a.m. two days prior to your cruise – the exception to this is Subway, which needs one (1) weeks order notice**. Your head count must include the driver and escort. **You will be charged for all meals ordered.**

Beverages provided with the meal are regular coffee, or fountain soft drinks.

We carry a liquor license onboard and if your group would like to purchase alcoholic beverages they may be purchased from us.

If you wish to use your own caterer OR bring your own food, there is a \$25.00 trash removal/cleaning fee. You will be responsible for providing the caterer with an accurate count and payment for the meal. Your caterer will be allowed onboard 20 minutes prior to your scheduled departure time, they must provide the beverage, and serving staff and removing food/dishes immediately after the boat returns to the dock.

Box lunches are served on our lower deck, and after passengers have finished their meal, they may feel free to move around the boat, and travel to the upper deck (if seating is available). The lower deck is enclosed and climate controlled - seating 70 with banquet style tables that seat 6 or 8, with padded, cloth chairs. If you have a food buffet on the lower deck, seating is lowered to 54. Any meals that are served onboard, other than box lunches, you are required to rent the entire boat.
